

FACILITATION: Strategy

Prepare

Where do students need to be?

What size groups do they need to be in?

How do they show they are ready to begin?

Prompt

One question/statement to engage students' imaginations and clarify the task.

How much time will students have to work?

Validate

I see _____ that are _____.

I imagine that I see a(n) _____ that is _____.

Revise/Reflect

Which TRAITS will students focus on to revise their work?

How might you add/adjust _____ to show your idea?

What other ways might you use/incorporate _____.

Encourage risk rather than repetition or imitation.
